

Summer Camp Safety Procedure List

- **MANDATORY COVID-19** testing for all counselors before starting camp.
- **RECOMMENDED** that all campers should be COVID-19 tested before camp starts.
- Staff and campers must sign a COVID-19 form stating that they were NOT in contact with anyone with the virus in the previous two weeks before camp starts.

PREVENTIVE MEASURES

- Temperature check with an infrared thermometer to each employee and camper at the beginning of camp every day.
- Any employee or camper with a temperature of 100.4 degrees or higher will be sent home immediately.
- If an employee or camper shows signs that they are sick they will be sent home immediately. They will not be allowed to come back without a doctor's letter of clearance.
- We will be disinfecting the soles of the shoes of each child and employee at the beginning of each day.
- We will be providing FREE face masks to children that need them.
- Counselors must wear a face mask at all times.

SOCIAL DISTANCING

- Different Drop Off/Dismissal locations to limit amount of persons in one area
- Groups will be divided in groups of 10 campers.
- Lunch time will be divided into small groups.
- Each table will be 6 feet apart.

CLEANING/DISINFECTING

- Youth Center cleaning and disinfecting will be done frequently throughout the day..
- Each group will have hand sanitizer and disinfectant wipes at all times with the captain of each group.
- Hand washing will be done extensively during the day and after each activity.
- Borrowed junior rackets will be sanitized before and after each use.

PERSONAL ITEMS

- Children must bring their own towels.
- It is recommended that children bring their own water bottles
- It is recommended that children bring their own tennis racket.

ACTIVITIES

- Most of the activities will be done outdoors. (weather permitted)
- Activities will be planned so only one group is at a station at any given time.
- Pool activity - Chlorine is proven to kill the virus.
